Bachelor of Computer Application   2021-2024
The Maharaja Sayajirao University of Baroda

Master of Computer Application   2024 - present
Dr. Harisingh Gour Vishwavidyalaya

WORK EXPERIENCE

Dots & Coms   Jan 2024 – April 2024
I worked as an ASP.NET Web Developer intern for four months. In this role, I was responsible for designing, developing, and maintaining web applications using ASP.NET. This experience enhanced my skills in back-end development, database integration, and user interface design.

Codsoft   Nov 2023 – dec 2024
I served as a Web Developer intern, where I worked on various projects involving front-end and back-end development. This role allowed me to apply my knowledge of web technologies to create dynamic and responsive websites, improving my proficiency in HTML, CSS, JavaScript, and related frameworks.

PROJECTS

Marbgrant-luxe [Website Development] - Marbgrant Co. Ltd., based in Dar Es Salaam, offers high-quality granite and marble slabs, as well as porcelain tiles for wall and floor applications.
